

**NOTICE INVITING PROPOSALS FOR PROFESSIONAL CONSULTANT SERVICES
FOR THE PREPARATION OF A CENTRAL UTAH WATER CONSERVANCY DISTRICT
WATER CONSERVATION PLAN.**

DESCRIPTION OF WORK: The Central Utah Water Conservancy District (District) announce a Request for Proposals (RFP) for preparing a District Water Conservation Plan. The District Water Conservation Plan will include the evaluation of District water conservation goals and programs, and the development of an implementation plan.

REQUEST FOR PROPOSALS: Interested firms may download the RFP beginning September 11, 2019 from the website at <https://cuwcd.com>.

PROPOSALS DUE: To be responsive to this RFP, interested firms must submit eight (8) hard copies along with an electronic PDF copy of their proposal and a separately sealed cost proposal to the Central Utah Water Conservancy District, Attn: Rick Maloy, 1426 E 750 N Suite 400, Orem, Utah 84097-5474, no later than 4:00 PM October 9, 2019.

SELECTION OF QUALIFIED FIRMS: A selection committee will be formed to review each proposal submitted and will evaluate each proposal based on the responsiveness, expertise, and experience as outlined in the RFP.

Questions should be directed to Rick Maloy, Water Conservation Manager at 801-226-7136 or by email at Rick@cuwcd.com.
