

**NOTICE INVITING PROPOSALS FOR  
PREQUALIFICATION OF CONTRACTORS  
CUWCD CWP NORTH SHORE AQUEDUCT NORTH AND WEST SEGMENTS PROJECT**

**DESCRIPTION OF WORK:** The Central Utah Water Conservancy District (CUWCD or District) is requesting interested contractors to review and submit pre-qualification proposals to construct the CUWCD CWP 800 North Shore Aqueduct North and West Segments Project (PROJECT). The PROJECT will consist of the construction of approximately 14,000 feet of 60-inch and 14,000 feet of 48-inch diameter cement-mortar lined, taped, and cement-mortar coated welded steel pipe and associated appurtenances, including manway/air release/valve/meter vault structures, and all miscellaneous connections, piping, utility relocations, traffic control, repaving, and appurtenant work. Installation will occur within Saratoga Springs City from approximately Pioneer Crossing and Redwood Road to approximately 1600 West and Military Road.

**PREQUALIFICATION:** Prequalification for this PROJECT is required by the CUWCD. Only prequalified contractors will be allowed to submit a bid.

**PREQUALIFICATION PROPOSALS DUE:** Prequalification proposals must be submitted by interested contractors to the CUWCD before **11:00 A.M. on Friday, September 3, 2010** for review by the CUWCD. A prequalification acceptance letter must be obtained from the CUWCD before a bid may be submitted for this project. Contractors that were previously prequalified in 2008 by the District specifically for installation of large diameter CWP pipelines are only required to submit an update of their bonding capacity in the prequalification package.

**NOTIFICATION OF PREQUALIFIED CONTRACTORS:** All prospective contractors will be advised if they have been prequalified and approved to bid on this PROJECT. Prequalified contractors that are approved to bid on this PROJECT will be requested to submit sealed bids based on the final drawings and specifications.

**PREQUALIFICATION INSTRUCTIONS:** Interested contractors may obtain an **information packet explaining prequalification requirements beginning August 16, 2010** at no charge from the CUWCD at 355 West University Parkway, Orem, Utah 84058, Telephone (801) 226-7125, Fax (801) 226-7111, or from the CUWCD's website at [www.cuwcd.com](http://www.cuwcd.com). This prequalification packet will also contain bonding capacity update forms for contractors previously prequalified for installation of large diameter CWP pipelines.

**RECEIPT OF BIDS:** Sealed bids will be received at the office of the Central Utah Water Conservancy District, located at 355 West University Parkway, Orem, Utah 84058, until 11:00 A.M. on October 25, 2010, for furnishing all materials and labor and performing all work relating to the construction of the PROJECT.

Questions should be directed to Mr. KC Shaw, P.E., Project Manager, by phone at (801) 226-7180, by fax at (801) 226-7111 or by email at: [KCShaw@cuwcd.com](mailto:KCShaw@cuwcd.com).
