**I have been informed of the water-saving equipment that has been installed on my property, and I have been adequately instructed about its features and use. For purposes of determining the water-saving effectiveness of this program, I agree to allow CUWCD access to water use records for the months of March through October in random years before and after the installation of this equipment.**

**I understand and give permission for my water use records to be examined:**

(Homeowner signature) \_\_\_\_\_

**Optional: I am interested in receiving a FREE Water Check of my irrigation system. This service is provided as a public service and will incur no further obligation on my part. (Please initial if yes \_\_\_\_)**  
**If yes, homeowner will be contacted by phone to schedule a Water Check visit.**

The Landscape Irrigation Product Rebate is an ongoing Conservation Program of Central Utah Water Conservancy District, but CUWCD reserves the right to cancel or modify the program at any time. Please refer to website, [www.cuwcd.com/rebates](http://www.cuwcd.com/rebates), for current status of program. Rebates are offered independently of any sale prices or rebates that may be concurrently offered by manufacturers or vendors.
